Our company "Laskaris Panagiotis S.A." certifies that our client Gauzer Energy - Bros Xenos OE enamels the water tanks it manufactures at our facilities and are in accordance to the Samples 3A and 3B.

As a result Gauzer is granted the right to use the term **GLASS** when describing the water tanks it manufactures, as well as in its marketing brochures.

In addition it is granted the right to use on its water tanks the special international sign of quality and authentic enameling (**GLASS**). This is approved by the German Coalition of Enamellers (**DEV**).

This sign certifies that special raw material have been used along with the most up-to-date techniques of enameling so that the water tank is in accordance to the DIN 4753 section 3.
